Being connected means better rates and personal service.

If you're not sure why a credit union connection is better than a bank, just come in and see us. We offer lower rates than the big banks and have flexible terms to meet any budget or credit situation. If you ever need assistance, you'll talk to a real person, not an automated phone system. That's what makes us your connection, whether it's a consumer loan, credit card or free checking account. Get Connected.

Join Lite 98's own Adam Stubbs at our Open House. You'll enjoy prizes, fun for the whole family and free food from Qdoba.
